SUPPLEMENTARY REGULATIONS:

This event is held under the 2000 SCCA General Competition Rules, its amendments and these Supplemental Regulations.

The Volvo Historic Series is governed by that Series rules, which are available to its participants. For further information, contact the Series Administrator, Dave Panas at (201) 337-6454.

RACE AND PIT PROCEDURES:**1. BLACK FLAG:** Long course black flag stations will be at the Start/Finish line and Flag Station 14 (Drivers left, on the boot straight). Short course black flag stations will be at the Start/Finish line and at Flag Station 10 (Drivers left, on the NASCAR straight). Drivers receiving the black flag should report immediately to the Pit Information Center located at Pit In.**2. INNER LOOP:** Any car using the escape at the inner loop **MUST STOP** before re-entering the course. They must wait for the signal from the flag personnel. Failure to do so will result in Black Flag penalties. There will be the loss of that lap time in qualifying sessions, and a Stop and Go penalty during any of the races. If there is an incident in the Inner Loop, Flag Marshals may direct cars to use the Inner Loop escape road. Failure to obey their directions may result in your receiving a Black Flag and a Stop & Go penalty.**3. VICTORY LAPS:** There will be no victory laps.**4. IMPOUND:** Impound will be on the pavement at the northwest corner of the garage. Finishers 1st through 3rd shall report to impound immediately upon finishing their cool down lap. It is the driver's responsibility to report to impound. (When in doubt - report!) Towed cars will be dropped on the graveled portion of the impound area.**5. TROPHIES:** Trophies will be awarded per GCR. Trophies may be picked up at the north end of the garage after the official results of the race are posted.**6. SMOKING:** There is no smoking allowed in the pits, on the grid or inside any of the buildings on the track grounds.**7. PIT CREW:** Only four members will be allowed in the pits during a race. Only four members will be allowed over the wall to service the car (See GCR 10.1.3 and 10.1.6). No one under 18 will be allowed in the pits. SCCA members only will be allowed in the pits. Only two persons will be allowed to cross the pit lane to signal the driver, and both must return to the "cold" side of the pit wall after signaling.**8. APPAREL:** Appropriate apparel must be worn in the pits. NO shorts, halter tops, sandals, etc. will be allowed.**9. PIT TRAFFIC:** Pit traffic will be single lane. The pits south of the Timing Tower will not be used.**10. PIT INFORMATION CENTER:** The first pit north of the Timing Tower (PIT IN) will be used for race information.**11. START/FINISH:** The Start/Finish line extends through the pit lane.**12. PIT USE:** The pits may be used for 10 minutes after a session.**13. NUMBERS:** Numbers must conform to the GCR. Illegible numbers may result in no qualifying time, or you may be black flagged.**14. QUALIFYING/PRACTICE CHECKERED FLAG:** The end of a practice/qualifying session will be indicated by a checkered flag at the Start/Finish line.**15. HOUSEKEEPING:** Please check your car for oil leaks BEFORE entering the track. If you see zero oil pressure, or smoke behind your car, PLEASE pull off the racing surface. Clean up is expensive and could result in schedule REDUCTION.**16. LIGHTS:** There are several flashing yellow lights around the course that may be used. These flashing lights will be in addition to the regular flagging stations. If you see the yellow flashing lights, it means that the incident is on the racing surface, and extreme caution should be used.**17. TIMING EQUIPMENT:** Timing Transponders & Optical Timing Triggers **MAY NOT** be placed within 20 feet of the "official" timing & scoring equipment at Start/Finish. Questions regarding light placement may be directed to the Pit Marshals. Private timing equipment placed within the 40 foot zone will be removed and held by the Chief Steward. Reclaim this equipment from the Chief Steward at the Tower at your own risk.**18. TRANSPONDERS:** An AMB TranX260 transponder must be mounted on each car. Only one competitor per registered transponder is allowed. Competitors are responsible for notifying T&S of their transponder numbers (see T&S section of entry form). Competitors are also

responsible for maintaining a sufficient charge that the system can detect. Transponders are available on a first come first serve basis, with race entry, for a \$50 donation. If you do not provide a transponder number with your entry, we will assume you need a transponder. A \$300 check deposit is required upon transponder pick-up and will be returned upon return of the transponder. Do not send the \$300 deposit check with your entry; only the \$50 is required with entry.

19. ON-TRACK INCIDENTS: The Stewards will black flag all drivers involved in metal-to-metal incidents on track, in any session. Additional penalties may be imposed.**20. PASSING UNDER YELLOW:** The Stewards will black flag any driver passing under yellow. The Stewards will impose minimum penalties of loss of qualifying times or exclusion from the race for any driver passing under yellow. Additional penalties may be imposed.

GRID:

- 1. GRID POSITIONS:** Race grid positions will be determined per GCR 7.1.5.
- 2. SPLIT STARTS:** Split starts may be used at the discretion of the Stewards. Judges of the start will observe for infractions. A Stop and Go penalty may be imposed.

No bicycles, skateboards, skates or blades or motorbikes are otherwise permitted on the premises.
- 7. SERVICES:** Air, water and scales are available at the north end of the garage. Scales hours will be announced; contact the Chief Scrutineer for their use.
