

CAR / ROAD RALLY

SUNDAY, April 13th

“THE 3rd EVENT, (First)”
Or “WHADDA YA’ MEAN THE ROAD
CHANGED?”

The first event in the FINGER LAKES
Region’s, 2003 Spring Rally Series

Join us for a Sunday afternoon tour over the roads around Bloomfield, NY just a few miles south and east of Rochester, NY. We will start and end at CHEAP CHARLIES in Bloomfield, NY.

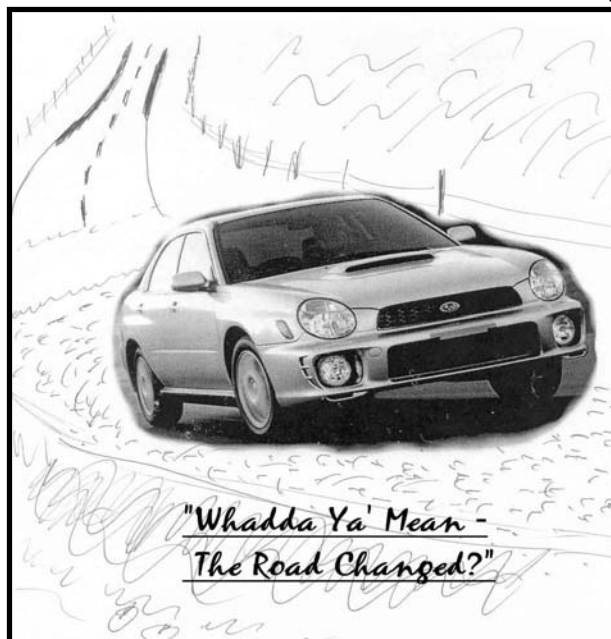

As the name implies, we will be travelling over roads that range from two lane major highways to unpaved country roads. All at legal speeds that are appropriate for the roads and conditions. All turns or changes in direction will be clearly stated. Route following instructions will include road names or other identification as available. A map of the rally area will be included in the general instructions.

Additional instructions will give you the speed to travel, ask you to pause, etc. You will stop at several checkpoints along the route to determine how well you have followed the instructions.

Scores will be based on the difference between the ideal and actual time of arrival at the checkpoints. The answers to several questions may be found along the route. A correct answer to one of the questions will reduce the score by five percent; each additional correct answer will reduce the score by another five percent.
