Guests \$ 25.00/car.

Minimum of two people per car, no maximum. Fee is per CAR.

Two or more people, in ordinary cars, on regular roads, within the legal speed limit, make up a rally team. The goal is to drive on time - not early or late. Each team needs a wristwatch set to match rally time; something to write on and write with. A flashlight or other interior lights will be needed to read instructions.

"Tulip" diagrams [a line drawing of each intersection] and a mileage at each turn, make the course easy to follow. The challenge is in the road surfaces and weather conditions. Primarily unpaved back roads are used [usually roads plowed during the winter], and we hope for snow. Novices start at 36 MPH.

You must have a valid driver's license, proof of car insurance (25/40/10 or NYS minimum), current inspection sticker; snow tires or all weather tires with plenty of tread; 90 minutes of flares or one DOT triangle; and a tow rope.
