Join us for the first event of the FLR SCCA Winter Rally Series—Lightly Seasoned '05, on Saturday the 19th of November, 2005. In keeping with the Winter Rally Series format, this is an evening TSD rally run at speeds within the local speed limits. This event will be held on a combination of paved and dirt roads, and if we're lucky, maybe a few snow covered roads too.

At least two people make up a rally team—a driver and a navigator. Route instructions are provided in Tulip diagram format (line drawings of each intersection) with mileages provided. Teams should have a wrist or stopwatch, a calculator, flashlight, and a pen. A novice school will be available prior to the drivers meeting to help first-timers out.

All cars are required to have all-season tires in good condition, but are strongly encouraged to have snow tires. All teams and cars are also required to have a valid driver's license, a current inspection sticker, proof of insurance, a tow-rope, and flares or a reflective triangle.

Also, there will be a buffet after the event while we're waiting for results to be posted. Be sure to sign up before hand at registration.
