

Finger Lakes Region SCCA

presents a

Social Rally

Be Brave... try a trap rally... it's FUN!!

This is a real trap-style TSD touring event winding blissfully through the wine trails of the Finger Lakes. Tour parts of the Seneca, Keuka and Cayuga Wine Trails.

Challenge your reading and analytical skills. All course-following traps are looped. This is not a sign hunt or Gimmick rally. This will be an informal rally designed to be fun and informative. Learn about this type of event by trying it out. The event will take approximately five hours to complete.
