

FINGER LAKES REGION SCCA PRESENTS

Event #2 in the NY Shortline RR Series

October 11, 2009

First car off: 1:15 PM

GENESEE & WYOMING RALLYROAD

Take a nice Sunday afternoon tour with the Finger Lakes Region SCCA around the countryside that make up the home territory of the Genesee & Wyoming Railroad. Today, Genesee & Wyoming Incorporated is a holding company that operates multiple railroad lines around the world. But they started as a local shortline, serving the salt mines in Retsof. This social fall foliage tour loops around the Letchworth gorge. The competition route is under 60 miles, using TSD-like tulip-style instructions without the normal timing concerns. Scoring is based on identifying locations along the route, shown in photographs that are included with the route instructions.
