

A great finish for the end of the 2009 season.

With 19 competitors, comfortable temperatures and amazing course conditions, the November 14 event will go down in the books as a great success with many happy participants. The course was smooth and exciting with little dust to interfere with drivers' impressive times.

Everyone is looking forward to next year's RallyCross season which kicks off in January. Times are still being set and the final dates will be posted shortly.

A large Thank You goes out to Tom Langdon and Jim Perrin for stepping up and helping with the events this year. I look forward to seeing ever next year including all the new faces we have seen over the past year.
