

FINGER LAKES REGION SCCA PRESENTS

Event #4 in the NY Shortline RR Series

October 17, 2010

First car off: 1:15 PM

AVON, GENESEO & MT. MORRIS RALLYROAD

A PHOTO RALLY EVENT

Take a nice Sunday afternoon tour with the Finger Lakes Region SCCA around the countryside that make up the home territory of the Avon, Geneseo & Mt. Morris Railroad. Although the AG&MM once connected the towns in its name to Rochester and to the Erie Railroad main line, very little of the original track exists today. This is a social fall foliage tour, with the competition route is under 60 miles. TSD-like tulip-style instructions are used, but without the normal timing concerns. Scoring is based on identifying locations along the route, shown in photographs that are included with the route instructions. A discount is offered to non-members entering a classic or vintage car.
