

FINGER LAKES REGION SCCA PRESENTS

Event #3 in the NY Shortline RR Series

May 16, 2010

First car off: 1:15 PM

ROCHESTER & SOUTHERN RALLY ROAD

Take a Sunday afternoon tour with the Finger Lakes Region SCCA around the home territory of the Rochester & Southern Railroad. Today, Rochester & Southern is part of Genesee & Wyoming Incorporated and connects many local businesses to mainline railroads. The competition route is under 60 miles, using TSD-like tulip-style instructions without the normal timing concerns. This is a trivia-based rally, so timing is not critical. Instead, scoring is based on finding the answers to questions in the route instructions along the way. So, bring your friends, kids, parents, or even the folks next door - the more eyes in your car, the better chance you have of finding the answers!
