

# Championship Series Point Totals

This document shows the Championship Series Point Totals for all competitors regardless of their qualification for the Season Championship.

To be eligible for the Championship Series, a driver must compete in more than half of the locally hosted events. Out of Region events do not contribute towards a competitor's eligibility. All events, both Local and Out of Region, will contribute towards the point total of a competitor. The Novice class does not reward Championship Series Points to its participants; They must compete in an open class to be eligible for the Championship Series.

Each page will contain the overall point standings of every competitor in any of the 7 indexed classes that the FLR Region tracks points for. These classes are:

- Pro (P)
- Street 1 (S1)
- Street 2 (S2)
- Street Touring (ST)
- XS/CAM (XC)
- Street Prepared/Street Modified (SP/SM)
- Prepared/Modified (PMod)
