A couple of more expenses have been submitted for solo (trophies and porta-potty). Event 9 money wasn't in the report, but it was received

We are paying \$50 a month for credit card machine. Elizabeth is going to suspend machine and then get it going again before the Super Tour next year.

Membership - we currently have 433 members

Banquet - Looked at the Brunch menu decided that we would go with option #3. We will have a mimosa package as well. Cost will be \$30 per member. Seating is not a problem, banquet room is large. Minimum amount we need to pay them is \$2,000.

Elections - Elizabeth is willing to run again, everyone is running again except Jamie (who hasn't been asked yet).

Charlie posted on Facebook looking for help with a potential Time Trial, he got no responses. No FLR members competed at our event in September.

Solo - Emilio is finished at the end of the year, Scott Moller is the solo chair for next year. He is looking for co-chair. Mark Krueger is going to chair the National Tour next year. Not sure what the site will cost next year. Solo trailer is at Jim Perrin's house, he is going to do some work on the interior. Then it will be going to Andy Cocilova house for the winter.

Race - we have our dates for next year (they are on the Region's web page). We are planning on having Saturday night dinner during Super Tour weekend. Fun One we will be having a pot luck dinner with music on Saturday night.

Rally cross trailer. We need to dispose of it. It is currently at Bruce Perry's house. Charlie is going to Ask Bruce to sell it and we will offer him 1/2 of money.

Secretary will not be at next General membership meeting, his assistant will take the minutes.

Meeting adjourned 7:55 PM.
