ROAD RALLY DECEMBER DASH

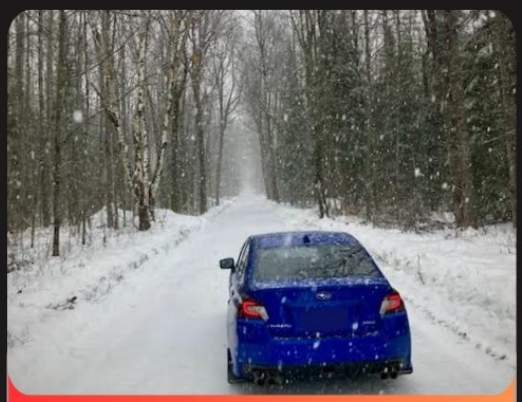

TIME SPEED DISTANCE (TSD) RALLY

This is the kick-off Novice rally for the SCCA Winter Road Rally Series. TSD is a team sport that has competitors (A driver and navigator) navigate a route at a specified average speed. The Goal is to arrive at each checkpoint as close to the designated arrival time. 1 point is accumulated for every hundredth of a minute that you are off from the arrival time. This event allows participants to compete in a challenging and exciting motorsport without the large commitment or expense. Use your navigation and driving skills to ***STAY ON COURSE*** and ***STAY IN TIME***!
