

2022 Finger Lakes Region Championship Series

This document contains the Championship Series Standings for all competitors that qualified for the Championship Series. All competitors who qualified shall only be ranked in the class in which they have earned the most favorable finishing position.

To be eligible for the Championship Series, a driver must compete in more than half of the locally hosted events OR more than half of all normally scored events. Bonus point events do not add to eligibility and will not be dropped. All events (Local, Out of Region, and bonus) will contribute towards the point total of a competitor. The Novice class does not reward Championship Series Points to its participants; Drivers must compete in an open class to be eligible for the Championship Series.

The 2022 Championship Series eligibility requirement is 4 local events or 5 normally scored events (local and out of region event).

The 2022 Championship Series will use a competitor's top 6 finishes with earned bonus points being added to that total to determine their place in the Championship Standings. Should a competitor have any drops containing points from an event, those points will be highlighted in yellow to distinguish them as drops. Finishes resulting in no points scored will not be highlighted and are in consideration for "lowest scoring events". "Final Points" is the sum of the top 6 scoring events and bonus points for a given competitor.

Each page will contain the overall point standings of every competitor in any of the 7 indexed classes that the FLR Region tracks points for. These classes are:

- Pro (P)
- Street 1 (S1)
- Street 2 (S2)
- Street Touring (ST)
- XS/CAM (XC)
- Street Prepared/Street Modified (SP/SM)
- Prepared/Modified (PMod)
