- **Cost**—\$20/car entry fee, plus \$15 Weekend Membership if req'd
- **More Info**—email expjawa@hotmail.com

Plan for a fun Sunday afternoon out about in your car! The route tromps around the hills near the south end of Canandaigua Lake, and is roughly 1/3 unpaved. Portions of that are "lightly seasoned", so bring a car you don't mind getting dirty!

Because the start / finish is not at a restaurant, so there won't be food available prior to the start. However, we will have snacks and beverages after the rally is over.

This rally is a regularity contest as follows:

You follow the course, maintaining speeds below the posted speed limit. As you follow the route, you will be timed at locations unknown to you. All checkpoints will be closed (you do not stop at them). The course is approximately 30 miles and should take about 50-55 minutes to complete.

Teams repeat the course route at 3:00 + car #. For the second time around the route, checkpoint signs will be out where the cars are timed again. The score will be how close to the minute and hundredths is to the time you passed the first loop.
