

Charlie Tanck, RE opened the meeting at 7:30 pm. 20 members were in attendance.

Members of the BOD are all running unopposed this year. Charlie wondered if we still have to send out ballots. Will check with members of BOD about this.

SCCA is still offering veterans a membership discount. Annual Waivers for 2024 will be on line starting December 11th. You need a picture of yourself to go with the annual waiver.

Super Tour schedule is out for 2024. FLR will be hosting the Super Tour at Watkins Glen – May 31 through June 2nd with a Promotor's Test Day May 30th.

Activities: Barbara Lissow announced that the annual banquet will be held on January 27th. Last year roast beef or chicken were served. She noticed that there was no roast beef left over but there some chicken was still there. The cost will be the same as last year - \$25.00 per person. NEDIV: Mini Con is back at Scranton, PA in February. Anyone that is interested in going, let Charlie know. Lodging and convention fees will be covered by the region.

Autocross: Co-Chair Alex Vallat gave report. Finished season with a solid event at Seneca. Last event for the area was at WNY at Bills stadium. They do not know yet where they will be next year. Andrew Edgecomb is stepping down at Co-Chair and Emilio Moran be taking his place. Chiefs of specialties to be ironed out soon. Looking at getting back into MCC or RIT for running either a Starting Line or Tire Rack Street Survival event. Also looking at Avon go-cart track. Also reaching out to sponsors for next year. Attendance was down this year. Solo broke even for the season. In planning stages for budget for next year. Timing trailer – is a need. Chris Kunkel has said we can use his totter home again for next year.

Season ending party – see notice below:

We will be having our annual Autocross year-end celebration on December 9th at 5pm, at the Oatka Creek Lodge (9797 Union St, Scottsville, NY 14546).

STPR: Alan Smith reported that their event in September had 31 cars start. Mechanical problems caused some DNF's, though one car that rolled over did finish. Next year's STPR will be June 28 - 29. This event will be a Super Regional. Money wise September's event was a "wash."

Road Rally: Alan also reported that the first rally will be December 9th – training rally. Party after – annual Christmas Party at Cheep Charlies in Bloomfield.

Winter Rally Series starts Jan. 6th of which he is chair. The series will be every other Saturday. They will try timing using Richta rally application – events for that to be worked out.

Race: Charlie said that Fun One made around \$100.00. NASCAR took our Fun One date for next year. WGI offered us the weekend after NASCAR for the Fun One, but SCCA said that we could not have it as it would interfere with the Runoffs. WGI then offered us 2023 NASCAR's weekend date of August 17th and 18th, which we took. As mentioned before FLR will be hosting the Super Tour next year at WGI. We will be running 8 race groups and hosting a Saturday dinner. WGI has two new pace cars for next year, they have acquired two TRD Corollas.

Congratulations: Tim O'Brien was awarded SCCA's Timing and Scoring Worker of the Year!!! Charlie said he met Tim when the BMW club needed to borrow some equipment and they offered Tim in return. FLR got the better bargain!.

Membership: Barbara gave the report for Mike Brunner who could not attend. We are down 7 members from last month.

Meeting adjourned at 8 pm.
