

# Season Point Totals

This document contains the Season Point Totals for all competitors regardless of their qualification for the Championship Series.

To be eligible for the Championship Series, a driver must compete in more than half of the locally hosted events OR more than half of all normally scored events. Bonus point events do not add to eligibility and will not be dropped. All events (Local, Out of Region, and bonus) will contribute towards the point total of a competitor. The Novice class does not reward Championship Series Points to its participants; Drivers must compete in an open class to be eligible for the Championship Series.

The 2022 Championship Series eligibility requirement is 4 local events or 5 normally scored events (local and out of region event). The 2022 Championship Series will utilize 3 drops. Names highlighted in yellow in this document have not yet qualified. Bonus points are highlighted by the green column.

Each page will contain the overall point standings of every competitor in any of the 7 indexed classes that the FLR Region tracks points for. These classes are:

- Pro (P)
- Street 1 (S1)
- Street 2 (S2)
- Street Touring (ST)
- XS/CAM (XC)
- Street Prepared/Street Modified (SP/SM)
- Prepared/Modified (PMod)
